INTRODUCTION TO BALANCE NUMBERS

Balance numbers are the numbers which tell us how balanced or imbalanced we are in our lives during a turmoil. It not only tells us how we handle ourselves in such difficult situations but also goes beyond to tell us how actually should we handle ourselves. It gives us a lot of insight as to how we look at the things around us.

A video thumbnail featuring a woman with long brown hair, wearing a purple sleeveless dress, standing against a blue background with white circular patterns. To her right is a play button icon. The text on the right side reads "Certified Numerologist", "Riddika Panchal", and "On Balance numbers". The logo "THE MYSTIC LOTUS AND DRAGONFLIES" is visible in the top right corner of the thumbnail.

HOW TO CALCULATE YOUR BALANCE NUMBER

Balance number is the number derived after adding us up the numerical values of letters represented by the initial of your 1st name and the initial of your last name.

According to Chaldean Numerology, the values assigned to the letters are as under:

Chaldean Numerology

1	2	3	4	5	6	7	8
A	B	C	D	E	U	O	F
I	K	G	M	H	V	Z	P
J	R	L	T	N	W		
Q		S		X			
Y							

Example 1:

Let's take the name:

"RIDDIIKA PANCHAAAL"

Initial of the 1st name is R.
Initial of the Last name is P.

Therefore, R+P

According to Chaldean Numerology, Value of R
is 2 and value of P is 8.

Therefore, $R+P=2+8=10$

We need to further bring it down to a single digit.

Therefore bringing the number 10 down to a single digit :

$$=1+0=1$$

Hence the Balance Number for Riddika Panchaal is 1.

Example 2:

Let's take the name:

"TUSHAR PATIL"

Initial of the 1st name is T

Initial of the Last name is P

Therefore, T+P

According to Chaldean Numerology, Value of T is 4
and value of P is 8.

Therefore, R+P=4+8

$$=12$$

We need to further bring it down to a single digit.

Therefore bringing the number 10 down to a
single digit :

$$=1+2=3$$

Hence the Balance Number for Tushar Patil is 3.

**Remember, the Balance Number should always be
a single digit.**

SIGNIFICANCE OF BALANCE NUMBERS

1. The people with Balance Number 1 do not prefer opening up to the people around them with their life problems. They don't easily disclose or discuss their issues. The bottled up feelings therefore make them feel burdened and stressed out. They want to handle everything by themselves because the number itself stands for independence.

They need to learn how to make the best use of the number provided to them and open up to their close ones. It will not only bring a lot of peace to them but also provide them with multi dimensional insights into the problem.

PRO TIP:

Number 1 stands for strength, creativity and Innovation.

The people with Balance Number 2 are quite sensitive and emotional. Number 2 stands for balance. They easily let their emotions over power their decisions. Being compassionate is important, but at the same time they need to create a balance between their emotions and practicality.

People with number 2 are blessed with very strong intuitive power. They are very creative. They need to harness their powers by synchronising their practical attitude and intuition to get solutions to their problems.

PRO TIP:

Balance and Harmony are there for you the minute you decide to go for it.

The people with Balance Number 3 are very optimistic and expressive. They are happy-go-lucky kind of people. The number 3 stands for creativity and optimism. They need to bring out positivity in their thoughts and will easily be able to overcome any roadblocks. On a normal day our minds create around 60,000 thoughts. Out of the lot, only 10-15 are inclined towards positivity. Rest are negative or rather worthless.

People with Number 3, consciously need to make effort to use their thoughts with creativity and positivity in order to sustain any difficult situation in life.

PRO TIP:

You tend to become extremely attached to the problem. Try and snap out of it with your creativity and expression of joy.

The people with Balance Number 4 are highly disciplined and are firm believers in their principals. They are known for their rigidity and stubbornness. People with Number 4 need to plan their things out in such a way that helps them carry out their tasks in a structured and organised manner. For instance, if the goal is to lose weight, they need to be disciplined and put in a lot of hard work.

The moment they invoke the energies of this number, they can knock down any difficult situation in their life.

PRO TIP:

Be practical. No matter what the situation is, make sure you are standing tall and solid.

The people with Balance Number 5 are very expressive and have good communication skills. However, they have a tendency of escapism. They are prone to lose themselves to some or the other kind of addiction be it alcohol, drugs etc. The Number 5 guides them to not to make these a means of escaping their problems but to face them head on.

The number 5 also talks about flexibility, creativity and adaptability. Harness the powers of these attributes to win over any problem in life.

PRO TIP:

Try to focus on your problem rather than avoiding it.

The people with Balance Number 6 are loving and responsible. They have a nurturing attitude and are a Giver. The number 6 is trying to radiate the message that we need to love ourselves as much as we do it for the others. People with number 6 tend to sacrifice for the others to the point they find it very easy to take advantage of them.

They need to make sure that they are doing these things for themselves before giving it out to the others.

PRO TIP:

Charity Begins at home. Make yourself a priority and fall in love with the own self first.

The people with Balance Number 7 are firm believers of introspection and digging deep into a matter. They don't let their emotions out to even the ones closest to them. People with Number 7 are blessed with an out of the box thinking. They are the ones brimming with Innovation and Knowledge. The number says that it is not always necessary to dig deep into the problem or to observe each and every detail ending up getting traumatized by the situation.

People with Number 7 need to make sure that you have complete information on the subject matter yet avoid the intricacies.

PRO TIP:

Do your research but make sure you have complete information about the entire situation in your life.

The people with balance number 8 need to create a balance between spiritual world and material world. They are ambitious. When there's a difficult situation in their life they try and give everything that they've got and are unable to create a balance between their emotions and practicality.

They need to create a balance and understand that if they give something, they also need to receive something in return because they deserve it and not feel embarrassed about it.

PRO TIP:

The cycle is about giving and receiving, receiving and giving. Make sure that both sides of a commitment is honored.

The people with balance number 9 are great leaders. They are very creative and intuitive. They tend to have a ‘never give up’ attitude. However, they may end up being an over giver. They may end up being a doormat and at times others can take an advantage of them quite effortlessly .They might know that they’re being used, yet they restrain themselves from taking a stand for themselves.

In an emotional relationship, they tend to go all over the place to make things work and let others have the upper hand over them.

PRO TIP:

Be the warrior in your life, for yourself and for your loved ones. Use the ‘never give up attitude’ for your own self.

GUIDE

INTRODUCTION TO ATTITUDE NUMBERS

Attitude numbers are the numbers that describe your personality or at times they reflect how you want to be perceived by others. It depicts your attitude towards everything in life, be it in the professional arena or personal. Your attitude number tells you, how you look at the situations around you or how and what you want to be known for. It is the impression you want to create. It comes from your birth date.

You are born with it and gifted with it. Understand what has been gifted to you and use it to your own benefit.

HOW TO CALCULATE YOUR ATTITUDE NUMBER

To calculate the Attitude Number, add the digits of your Birth Date and the Birth Month.

Example 1:

Let's suppose your birth date is **18-Sep-1975**

Step 1: Bring the digits of your Birth date down to a single digit

$$1+8=9$$

Step 2: Bring the digits of your Birth month down to a single digit

$$0+9=9$$

Step 3: Add the Birth date number and the Birth Month Number

$$9+9=18$$

Step 4: Bring it down to a single digit

$$1+8=9$$

Therefore, your attitude number is 9.

Example:

Let's suppose your birth date is **11-Nov-1975**

Step 1: Bring the digits of your Birth date down to a single digit

$$1+1=2$$

Step 2: Bring the digits of your Birth month down to a single digit

$$1+1=2$$

Step 3: Add the Birth date number and the Birth Month Number

$$2+2=4$$

Step 4: It's already a single digit

Therefore, your attitude number is **4**.

SIGNIFICANCE OF ATTITUDE NUMBERS

1. If your attitude number is 1, it means you may have an attitude of being a leader. You are a visionary and an innovative thinker and absolutely independent. The magic is, either you have this attitude actually or you want people to perceive you like that. Your attitude towards everything is like a leader. Be it a personal or professional problem, you handle it with absolute leadership. You excel in people management. You are disciplined and organised.

ATTENTION!

Be your authentic self. Be it the ideas you have or the way you handle things. You should try and bring your original personality out in public.

If your attitude number is 2 it means that you have an attitude that is very peaceful. You are diplomatic and intuitive. You are a nurturer and giver. Either you are all of this or you want people to perceive you like this. You look at every situation in your life from the point of view of diplomacy or intuition. You listen to your inner guidance. You try and create balance. It's all about the impression you create on people. For instance, if your child's attitude no is 2, you know your child is sensitive, intuitive and his outlook is that of 2. But, only the child knows as he or she grows up, in reality whether he or she is like a 2 or just wants to be perceived as so.

ATTENTION!

You take everything personally and get offended easily.

3. You have a positive and chirpy attitude towards everything in life. You uplift people and motivate them and you do this irrespective of how you are feeling internally yourself. You may be like this or may not be but you surely want people to perceive you like this. You may also end up criticizing yourself too much after a point.

ATTENTION!

You may be overtly critical about yourself. You might struggle by creating a lot of emotional baggage for yourself. Try and avoid them and put a stop on them and become a 3 which is all about disseminating joy and uplifting people.

If you have an attitude number 4, it stands for being disciplined and organised. You want people to perceive you as a disciplined and a strong person, both physically and emotionally. You are courageous. You always look for having a strong foundation. This is the energy you put out to people.

ATTENTION!

You are absolutely inflexible, rigid and stubborn. Avoid being stubborn and rigid person who always enjoys saying no to everything.

If you have an attitude number 5, the impression you create is that of a charmer and absolute head turner. You love to talk and you are adventurous. You are excellent in creating the X factor. When one is in a party and sees this person, one can't take his eyes off them. It's not just because how they look but also their personality on a whole.

You are a multi-tasker.

You are flexible and adaptable and you also love being in a vacation mode. You are always chilled out and carefree. You are poise. You do not give a lot of importance to a lot of things.

ATTENTION!

You always start something with a lot of enthusiasm and fun and try to be organised and disciplined but you never finish well. Try and complete your task on time. You are scattered. You have your mind into many things and you are unable complete all the tasks at hand. Try to complete things with perfection.

If you have an attitude number 6, you are someone who wants people to perceive you as a lover and nurturer. You are good in disaster management and at damage control. You are very resourceful. You always try to be there for everyone and make sure you are acknowledged and accepted.

ATTENTION!

You may end up being overtly responsible. You don't have to be responsible for other's unhappiness. You are not responsible for everyone and everything. Learn to detach.

If you have an attitude number 7, you are a perfectionist. You are very knowledgeable. You are someone who is into introspection and digs deep. You're a very creative and leave an impression of being intellectual, very well read and informed. You are updated about everything happening around you be it politics, finance, economy, entertainment etc. You are up to date with each and every aspect of life and everything happening around the world.

ATTENTION!

You have a razor sharp tongue and sometimes tend to be absolutely sarcastic.

If you have an attitude number 8, that means you want people to look at you as someone who is very powerful and important. You make sure that you are well respected and very ambitious. You can also have an attribute of being a show-off. You want people to remember you for the power and status you acquired in your life.

ATTENTION!

You'll have authority issues. You want to have the last word on everything. Try and be a little more compassionate. Try and understand other person's point of view .Do not dominate the other person too much and respect their opinions.

If you have an attitude number 9, you want people to perceive you as being very intuitive, creative, a leader and a giver. You want to give a lot of love to the universe. It's the number of humanity, compassion and philanthropy. You might be like this or you want to be perceived like this. Your attitude is that of a warrior. You have a never give up attitude. No matter the situation, you always stand strong and overcome anything with a strong will power.

ATTENTION!

You may avoid being an active listener. You may not listen to people's problem. You might be fantasizing a lot. Do not daydream so much. Try to attach yourself to the reality and get out of illusion.
